Total number of retirees in
the Dominican Republic:

16 

**12 former staff members, and 4 widows
(of which 3 are in advanced age.)**

12

**10 members, 1 in membership payment phase
and 1 in recruitment phase.**

Significant news in the past two years.

1

Updated the existing list of retirees in 2020.

2

Liason with the people in charge of HR and FMR in the DOM/PWR.

3

Created a Whatsapp group where we share important news and information.

4

Supported retirees in regards of UN Pension Fund, FCU and SHI.

5

Kept members informed about relevant matters of each AFSM meeting.

6

Completed information regarding all retirees in DOM, including associated and designated members.

7

Participation as member of the Outreach Committee lead by Hugo Prado.

Challenges for the year 2023.

1

Face to face meetings twice a year, the second one close to christmas time.

2

Encourage members to write articles for the newsletter.

3

Encourage and motivate participation of the members in Webinars.

4

Participation of the members in organized PWR/DOM activities.

5

Promote a reading club, which will deal with material relating healthy ageing.

6

Facilitate and ensure collaboration to the members and their families in the annual influenza and pneumococcus vaccination process.

7

Finalize the association process of our two remaining colleagues.

¡Muchas Gracias!
