

**"The contribution of Digital Literacy for Older Persons to the Decade on Healthy Ageing"** that took place today, 29th of October at 9.30am, in the margins of the first Global Media and Information Literacy Week celebrated in the New York UNHQ.

- In response to the growing problem of social isolation and loneliness the UN has launched a new advocacy brief on this topic which outlines the latest evidence on prevalence, risks and impacts and recommendations for action <https://www.decadeofhealthyageing.org/find-knowledge/resources/publications/un-decade-of-healthy-ageing-advocacy-brief-social-isolation-and-loneliness-among-older-people>
- ITU report 'Ageing in a digital world - from vulnerable to valuable': <https://www.decadeofhealthyageing.org/find-knowledge/resources/publications/detail/ageing-in-a-digital-world---from-vulnerable-to-valuable>
- To learn more about digital inclusion and equity in the context of the UN Decade of Healthy Ageing, visit the Decade Platform's digital equity hub set up on the occasion of UN International Day for Older Persons 2021: <https://www.decadeofhealthyageing.org/topics-initiatives/international-day-of-older-persons/2021-digital-equity>
- To find out more about ITU's work in ICT accessibility, please click here: <https://www.itu.int/en/ITU-D/Digital-Inclusion/Pages/ICT-digital-accessibility/default.aspx>
- For more information on ITU's ICT accessibility resources, please click on the link: <https://www.itu.int/en/ITU-D/Digital-Inclusion/Persons-with-Disabilities/Pages/ResourcesOnICTAccessibility.aspx>
- To find out more about ITU's work related to older persons, please click here: <https://www.itu.int/en/ITU-D/Digital-Inclusion/Pages/ageing-in-a-digital-world/default.aspx>
- The Digital and Assistive Technologies for Ageing initiative: learning from the GATE initiative. Lancet Commentary: [https://doi.org/10.1016/S2666-7568\(20\)30049-0](https://doi.org/10.1016/S2666-7568(20)30049-0) .

- You can find out more about the (free) ITU Academy course on ICTs in the digital landscape on the Decade Platform here: <https://www.decadeofhealthyageing.org/find-knowledge/support/training-programmes/detail/icts-for-better-ageing-and-livelihood-in-the-digital-landscape>
- You can find ITU's ageing report here: <https://www.itu.int/en/myitu/Publications/2021/05/17/12/55/Ageing-in-a-digital-world--from-vulnerable-to-valuable>
- You can find ITU's free online self-paced ageing training course here: <https://academy.itu.int/training-courses/full-catalogue/icts-better-ageing-and-livelihood-digital-landscape>
- We're so excited to see so many great initiatives and resources being produced in this area. Please help make all of this great work and knowledge more accessible to the global community working to foster healthy ageing by sharing your knowledge through the Decade Platform: <https://www.decadeofhealthyageing.org/platform-guide-to-knowledge>
- In our AT2030 programme [www.AT2030.org](http://www.AT2030.org) we are working in 35 countries on disability inclusion and have reached 22 million people through a £40 million programme, we would be very interested in partnering with an older person agenda as we continue.
