- Offer important information for and generate links among PAHO/AFSM members through the newsletter.
- Ensure that the website acts as a tool for communication between old friends and colleagues. It keeps members aware of developments at PAHO Headquarters as well as provides news regarding former staff living in both the USA and in member countries. Issues impacting former staff are highlighted in the News section of our website.

Members may contact AFSM (afsmpho@gmail.com) if they wish to share information that could be of interest to former staff. Articles and information about recent publications, awards, cultural events, travels, and deaths would all be welcome. The AFSM Board has ultimate responsibility for the selection of articles and information to be included on the website.

- Review, edit, translate and revise AFSM documents before they are published for members and the general public.
- Manage, update and improve the content and format of the [AFSM Website](#) and
